FOREWORD

Public Law 95–94, Legislative Branch Appropriation Act, 1978, directs the Joint Committee on Printing to publish only a pamphlet supplement to the *Congressional Directory* for the 2d session of the 95th Congress in lieu of the customary 2d session *Directory*.

This supplement consists of a revision in the Congressional sections, the Executive Office, and a brief listing of Departments, with the exception of the Department of Energy which is listed in its entirety; therefore, necessitating the need to refer to the 95th Congress, 1st session *Congressional Directory* for information not appearing in this supplement.

The section listed as "Congressional Joint Committees, Commissions, and Boards" printed in the 1st session *Congressional Directory* (pp. 321–335), will not appear in this supplement; there has been one new commission in this section as follows:

National Commission on Neighborhoods, 2000 K Street 20006
Phone, 632–5200

The following committees and commissions have been abolished since the last publication of the *Congressional Directory*:

Joint Committee on Atomic Energy
Joint Committee on Congressional Operations
Joint Committee on Defense Production
Commission on Administrative Review
Commission on Federal Paperwork
American Indian Policy Review Commission
Privacy Protection Study Commission

The section on "Independent Agencies" printed in the 1st session *Directory* (pp. 650–731), will not appear in this supplement; there have been no additions in this section, but the following independent agencies have been abolished since the 1st session of the 95th Congress:

American Revolution Bicentennial Administration
*Energy Research and Development Administration
*Federal Energy Administration
*Federal Power Commission

*Functions transferred to the Department of Energy.
